Like it or not, we are often judged by the way we sound and look more often than what we say. A strong professional presence can be established with improved speech, a dynamic voice, personal style and efficient use of words. Today, with all the competition in the marketplace, the way you communicate with your prospects, customers, colleagues and the media, matters more than ever.

How can you enhance your presence and win and keep your target clients? Create a professional image that will positively influence the way others respond to you.

Industry experts will share techniques you can practice to create a powerful presence, establish strong relationships, build trust, and convey critical messages in a confident manner. Whether you need to stand out from the crowd with a first impression or impress your prospects and clients to get and keep business, this workshop will help you present the most effective Brand **YOU** to reach your goals faster.

You will learn how to:

1. Present an image of credibility that reflects your personal style
2. Focus on appropriate fit
3. Adjust your image for all your roles
4. Use speech and voice techniques that get heads turned
5. Get quickly to the point
6. Adjust your language to fit your audience
7. Create Brand **YOU**
